

CALL FOR PAPERS FORUM ON THE GEOLOGY OF INDUSTRIAL MINERALS

MIDWEST CITY, OKLAHOMA

HOSTED BY THE OKLAHOMA GEOLOGICAL SURVEY

MAY 11-14, 2008

The OKLAHOMA GEOLOGICAL SURVEY seeks papers on topics regarding all aspects of industrial minerals for the 44th Forum on the Geology of Industrial Minerals. Focus is on industrial minerals used in the petroleum industry, an industry that has identified Oklahoma for over a century. Other topics of interest are industrial mineral resources of neighboring states, greenfield operations, construction materials, and industry/government outreach programs. Oklahoma celebrates its centennial of Statehood in 2007 and the centennial of the Oklahoma Geological Survey in 2008.

For more information, please contact:
